

15 oxygen concentrators donated

GURUGRAM, MAY 20

To address the second wave of the Covid pandemic, SM Sehgal Foundation (Sehgal Foundation) with the support from Mosaic India Pvt Ltd has provided 15 oxygen concentrators to Al-Aafia General Hospital, Mandikhera, Nuh.

In addition, 10,000 gloves, 1,000 PPE kits, 10,000 masks and 1000 litres sanitiser have been provided for the Civil Hospital, Community Health Centre, Taoru, and Mandikhera for the safety of doctors and nursing staff. CMO, Nuh, Dr Surendra Yadav received the supplies yesterday.

DC Dhirendra Khadgata, Nuh, flagging off the truck loaded with material from his office in the presence of Sehgal Foundation's on-ground team, thanked them for extending help in these difficult times.

In view of the pandemic situation, hospitals and doctors are struggling with the lack of medical equipment and this support is to ensure safety of the administration and staff engaged in serving Covid-affected patients. — OC
